Returned visitors from Russia unanimously declare Lenin's experiment in government has been a failure. But his experiment in fooling a lot of ignorant victims has been a colossal success.—Springfield Leader.

EFFECTIVE ADVERTISING

CHEAP

Daily newspaper space is the least expensive advertising medium, according to the findings of a committee of the Cleveland chamber of commerce, which has just concluded a thorough investigation of advertising costs for the benefit of its members.

The committee analyzed six classes of periodical publications, ranging from trade magazines, of exclusive circulation, to daily newspapers. All estimates were based on per column inch and a circulation standard of 1,000 subscribers. Not only was it found that newspaper advertising was cheapest, but it was clearly proven to be the most effective.

This report only proves what experienced advertisers have long known but coming from an unbiased source it is most encouraging to the sellers of newspaper advertising who are striving to give their buyers a dollar's worth of publicity, or more for every dollar spent.—Springfield Republican.

Monday's rain was a serious thing for this section. It will make the corn stalks so high and the ears of corn so heavy that farmers will be put to a lot of unusual trouble gathering it.—Joplin Globe.

CHAMBERLAIN'S COLIC AND DIARRHOEA REMEDY

This is unquestionably one of the most successful medicines in use for bowel complaints. A few doses of it will cure an ordinary attack of diarrhoea. It has been used in nine epidemics of dysentery with perfect success. It can always be depended upon to give prompt relief in cases of colic and cholera morbus. When reduced with water and sweetened it is pleasant to take. Every family should keep this remedy at hand.

Lee's Concert Band has returned from Crane, where they furnished music for the reunion. They are scheduled to play at the Miller picnic the last of this week. The band has been quite popular at such affairs this summer, not only on account of their youth, but also because they furnish good music and are all well behaved and gentlemanly young fellows.
